

Call for Papers
JAIME FERNÁNDEZ de ARAOZ AWARD
on
CORPORATE FINANCE
2019

8th Edition
Deadline
March 10th, 2019

In collaboration with:

The *Jaime Fernández de Aroz Award on Corporate Finance* is a biennial international prize established in 2005 to recognize and encourage research in the area of corporate finance.

The prize carries a cash award of €10,000 and a sculpture by Martin Chirino.

Papers must be original and unedited, written in Spanish or English, and include an abstract. The cover letter must include the name and address of the authors, their telephone numbers and e-mail address, and their nationality. Also a résumé of each one of them will be enclosed. The Jury will consider the scientific quality of the paper, its empirical/applied nature as well as the originality of area of study. As an example, the following list of possible topics may serve as a guide:

- Company valuation techniques
- Investment and financing decisions
- Corporate financial structure
- Bank financing and market financing
- Dividend policy
- Risk management policy
- Flotations and procedures for the placement and underwriting of issues
- Mergers, acquisitions and Takeover Bids
- The role of investment banks
- The role of rating agencies
- Venture capital and private equity
- Implications of the International Financial Reporting New Rules
- Executives' compensation
- Corporate governance

Such topics may be considered from an economic, financial, legal or any other type of perspective.

Papers may be uploaded to the website www.premiojfa.org or

Sent by e-mail to premiojfacf@cunef.edu
